

Hi everyone, my name is **Braiden-Lee!** I am **3 years old** and I love **Mickey Mouse** and **Thomas the Tank Engine.**

Right now I'm fighting **neuroblastoma, a very aggressive cancer,** that affects little children like me. **Please can you help me** pay for my cancer treatment abroad?

The Braiden-Lee Prescott Appeal

Brave Braiden-Lee has already had lots of cancer treatments in the UK and has done really well so far. Now Braiden-Lee's best chance of beating this frighteningly aggressive disease lie in America.

Braiden-Lee's potentially life-saving treatment will cost at least £200,000 but it won't be funded by the NHS, which is why he needs your help.

Please make a donation or hold an event for Braiden-Lee and children like him—call Nikki on 020 8202 9065 for fundraising ideas, and a copy of the Fundraising Toolkit to get you started!
